MUNICIPAL FEES AND SCHEDULE

Annual Review of Municipal Fees

A fee is a charge imposed on an individual or business for a service that the individual or business chooses to receive. A fee may not exceed the estimated reasonable cost of providing the particular service or facility for which the fee is charged, plus overhead. Examples of City fees include building permits, park usage, and development fees.

As part of the annual budget process, the City's Municipal Fees are reviewed to ensure that fees are set in accordance with applicable federal and state laws. City departments review their fees for services and make recommendations to Office of the City Manager to add new fees, delete existing fees, and make changes to existing fees. In coordination with departments, staff reviews amendments to the Municipal Fee Schedule to ensure that fees are consistent with applicable policies and procedures. Amendments to the Municipal Fee Schedule are submitted to the City Council for review and approval.

Amendments to the Fiscal Year 2020 Municipal Fee Schedule have been reviewed and City Staff is recommending approval.

Understanding the Municipal Fee Schedule

The Municipal Fee Schedule provides a detailed listing of fees by department. Fees that are not specific to a particular department are found in the Citywide section. In each department section, fees are broadly divided by service area or division. In each section table, fees are further grouped by activity or service. Each fee is listed along with the City Council adopted rate for the current fiscal year. Certain fees have multiple rates based upon residency, non-profit status, or regular/overtime rates. These tiered fees are listed where appropriate. For more information regarding these rates, please contact City Hall at 770-478-3800.

Upon obtaining an asbestos report for 144 Smith Street, it was determined that there is approximately 8500 square feet of floor tile and mastic, mirror glue dots and roof penetration mastic. We have obtained quotes and are recommending award of the low-bid in the amount of \$25,979.00.

Staff is working with the contractors and are confident that we will be able to get the price lowered. As this is for the Municipal Complex, all funds will come from SPLOST. We anticipate that the building will be leveled by summer.

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Please find attached the proposed list of projects for the SPLOST 2021 program. The unpopularity of property taxes and the simplicity and perceived fairness of sales taxes have made the County Special Purpose Local Option Sales Tax (SPLOST) a popular method for financing needed capital projects. The passage rate in Clayton County for SPLOST programs have been very successful in previous years. As this may be the first time for some of you participating in a SPLOST initiative, I will attempt to provide a brief overview of the SPLOST program.

WHAT IS A SPLOST? A SPLOST is an optional one percent county sales tax used to fund capital outlay projects proposed by the county government and participating qualified municipal governments. In general, county and municipal governments may not use SPLOST proceeds for operating expenses or maintenance of a SPLOST project or any other county or municipal facility or service. The tax is imposed when the board of commissioners calls a local referendum (i.e., vote) in conformance with O.C.G.A. § 48-8-111 and the referendum is subsequently passed by the voters within that special district (i.e., county). The tax is collected on items subject to the sales and use tax within the county. The SPLOST is also imposed on the sale of food and nonalcoholic beverages, which are not subject to the state sales tax, and is also imposed on the sale of alcoholic beverages. SPLOST also applies to sales of motor fuels as “prepaid local tax” (meaning it is collected at the distributor level) under O.C.G.A. § 48-8-2. Several factors determine the length of time that a SPLOST may be imposed. In general, the tax may be levied for up to five years. If the county and municipalities enter into an intergovernmental agreement, the tax may be imposed for six years. If no intergovernmental agreement exists and a “Level One” project is included, then the tax must run (1) for five years, if the estimated cost of all “Level One” projects is less than 24 months of estimated revenues, or (2) for six years, if the estimated cost of all “Level One” projects equals more than 24 months of estimated revenues.

The County started the SPLOST process back in early October with a hard deadline to have all projects submitted by the end of October. As you may recall, we discussed this in our previous work session. Based upon the previously agreed upon distribution, the City of Jonesboro receives 1.82% of the total SPLOST collection or \$4,955,039 – remember, this was the forecasted amount not the actual collection. All meetings to date have been with County Staff and Municipality Staff – no elected officials.

City Clerk's Office

Based upon our strategic planning retreats and other planning initiatives, the following projects have been put forth for the City to be included in the 2021 SPLOST Project; however, remember it is non-binding as our Council has not ratified our official project list:

Project #1 – Real and Personal Property for Broad Street

Description - As the first piece of the connection between Jonesboro's Main Street and Lee Street Park, the Broad Street Plaza will stimulate new activity in the downtown core and serve as a linchpin in the revitalization of the entire block Between Broad Street and Riley Way. The project consists of the improvement of landscaped areas to include parking, a pavilion and bathroom facilities. In addition, it also includes a new streetscape for Broad Street, including the removal of existing street improvements and the installation of new street and pedestrian improvements.

Project #2 – Real and Personal Property for City Government Buildings including a new City Center Initiative

Description: Based upon a recently completed Comprehensive Plan Document and Livable Centers Initiative, the city has begun work on a new City Center. The current 2,971 sq. feet building was erected in 1923 and has served as the City Hall/Administrative Office for over 15 years. Based upon the demand for City Services and needed expansion of staff, the current facility is no longer adequate. In addition to the space needs, the facility also in need of major renovations. Further, the 9,273 sq. feet facility currently serving as the Jonesboro Police Department, Council Chambers and the Municipal Courtroom is also in a state of disrepair. The 2016 Blueprint identified the “momentous opportunity” to construct a new Municipal Complex to replace the existing City Hall, Police Station, Council Chambers, and Municipal Court buildings, and consolidate these functions into a single space. The site was chosen because of its proximity to Lee Street Park and its opportunity to create a “landmark anchor” for the area, and because it would be a highly visible and accessible location. In an effort to advance the project, the City has already assembled 95% of the property necessary for the construction of the new City Center.

Project #3 – Road, Street, Bridges and Public Infrastructure

Description: Continued Sidewalk/Trail/Street Improvements including additions and improvements. Resurfacing/milling/repaving of existing roadway to include ROW acquisition, striping, signage, etc.

As the County has yet to provide an anticipated collection rate, we did not associate dollars with our request.

The following was a timeline proposed by the County:

October 3: Kick-off Meeting

- October 18: Submit Draft Projects
- October 25: Meeting (Project presentation)
- November 1: Finalize SPLOST Project List
 - Tuesday, November 5 (tentative adoption of resolution for authorizing signature of Intergovernmental Agreement- Board of Commissioners)
- November 5-November 30: -Sign Intergovernmental Agreements
- December 3: Board of Commissioners Adopt Resolution for Imposition of SPLOST
 - January 6, 2020: Public Call for Referendum
- Tuesday, March 24, 2020- Referendum on Ballot
 - Public provided an opportunity to give feedback and input about potential SPLOST 2020 projects

• Advance Voting:

- **March 2 Advance voting starts**

- March 14 & 15 Saturday and Sunday Voting
- March 20th- Last Day of Advance Voting
- SPLOST 2020 Referendum:
- March 24th at *respective precincts*

For the purpose of ensuring passage of our SPLOST, I kindly ask that you review the information above and provide any questions that you may have. Further, I would ask that each of you appoint two representatives to form a “Jonesboro SPLOST Ambassador Committee” to ensure that our residents are informed about the upcoming SPLOST vote. This item will be a topic of discussion at our November Worksession and I kindly request that names of those individuals to be submitted at that time. The County will also form a Citizen Review Committee that will include representation from both the County and Cities.

As the process begins to evaluate the “wish list” of projects submitted county-wide, the following criteria has been developed:

- *How will this project help meet the Public safety, Basic Facilities/Infrastructure, and/or Quality of Life needs in Clayton County?*
- *Why should this project be considered for SPLOST 2020?*
- *Project Goals & Objectives, when should this project be completed?*
- *Is this project recommended/included in any approved Land use plan, Master plan, or Service Delivery Plan? If yes, explain and provide necessary information.*
- *What is the projected operational impact cost for this project?*

Fiscal Impact

(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)

Project Name: Real and Personal Property for City Government Buildings including a new City Center
Description: Based upon a recently completed Comprehensive Plan Document and Livable Centers Initiative, the city has begun work on a new City Center. The current 2,971 sq. feet building was erected in 1923 and has served as the City Hall/Administrative Office for over 15 years. Based upon the demand for City Services and needed expansion of staff, the current facility is no longer adequate. In addition to the space needs, the facility also in need of major renovations. Further, the 9,2733 sq. feet facility currently serving as the Jonesboro Police Department, Council Chambers and the Municipal Courtroom is also in a state of disrepair. The 2016 Blueprint identified the “momentous opportunity” to construct a new Municipal Complex to replace the existing City Hall, Police Station, Council Chambers, and Municipal Court buildings, and consolidate these functions into a single space. The site was chosen because of its proximity to Lee Street Park and its opportunity to create a “landmark anchor” for the area, and because it would be a highly visible and accessible location. In an effort to advance the project, the City has already assembled 95% of the property necessary for the construction of the new City Center.

RESOLUTION NO. 2019 – 013

A RESOLUTION OF THE CITY OF JONESBORO MAYOR & COUNCIL DECLARING THEIR PARTICIPATION IN THE 2020 SPLOST AND PROJECT LISTS; TO PROVIDE AN EFFECTIVE DATE OF THIS RESOLUTION; AND FOR OTHER PURPOSES.

WHEREAS, the City of Jonesboro, Georgia, (hereinafter referred to as the “City”) is a Municipal Corporation duly organized and existing under the laws of the State of Georgia; and

WHEREAS, the City of Jonesboro is a recipient of Special Purpose Local Option Sales Tax Proceeds (hereinafter “SPLOST”) from Clayton, County (hereinafter “County”) and such funds are shared amongst all Clayton County cities and the County; and

WHEREAS, the City intends to join the County in continuing the SPLOST for another term; and

WHEREAS, to determine the City’s share in the 2020 SPLOST, the City must enter into negotiations with the County and assess its capital projects to be funded with SPLOST proceeds in accordance with the requirements of O.C.G.A. §48-8-110 et seq.; and

WHEREAS, the City is similarly situated with the other six Clayton County cities as all of the cities are seeking the County’s cooperation in determining the cities’ share of the SPLOST and capital projects to appear on the 2020 referendum; and

WHEREAS, the City has identified three (3) projects that will make up its proposal to the County as identified in Exhibit “A”, attached hereto and incorporated by reference; and

WHEREAS, while the City has allowed its City Manager to attend preliminary meetings, the City has not relinquished authority to a representative to bind the City and make decisions on behalf of the City at such meetings; and

Attachment: RES 2019-013 - SPLOST PROJECTS (1581 : 2020 SPLOST Project List)

WHEREAS, it is in the City's best interest to allow the Mayor and City Manager to have the authority to bind the City and make further decisions on behalf of the City in further SPLOST negotiations with the County and other six Clayton County cities; and

NOW THEREFORE IT IS HEREBY FULLY RESOLVED by the Mayor and Council of the City of Jonesboro, Georgia the following:

- 1. Exhibit "A" attached hereto puts forth the three (3) projects to be included in the 2020 Referendum for the City of Jonesboro.**
- 2. The Mayor and City Manager have the authority to bind the City and make decisions on behalf of the City in further SPLOST negotiations with the County and other six Clayton County Cities.**

Is this Item Goal Related? *(If yes, describe how this action meets the specific Board Focus Area or Goal)*

Yes Economic Development, Community Planning, Neighborhood and Business Revitalization

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Staff Recommendation – Approval: The applicant, Hyonmi Tak of Tara Package, is applying for retail package sales of distilled spirits (a liquor store) for the property located at 8525 Tara Boulevard. Previously, the building was a CVS Pharmacy.

Background

1. This location does not currently have an Alcohol Beverage License. The property has not been used for several years. If approved, this would be the first liquor store of its kind within the City.
2. The subject property is located within a heavy-trafficked Tara Blvd. commercial corridor. Surrounding zoning, general plan land use designations and existing uses are denoted mainly as C-2 highway commercial district, with some single-family detached residential to the west.
3. Purpose. The C-2 highway commercial district is established to accommodate intense retail and service commercial uses along Jonesboro's arterial highways. A broad range of such uses anticipates traffic from surrounding areas traveling through the city and affords a broad segment of the business community access to the large customer volumes associated with such locations. The automobile is the principal means of transit for shoppers in this district, and convenient on-premises parking is a primary concern. Given the value of arterial locations intended to capture heavy retail traffic, such industrial uses as manufacturing, distribution and processing are prohibited in order to reserve high visibility and enhanced access locations for highway commercial uses.

Facts & Issues

1. Ricky Clark, City Manager and Community Development Director David Allen have reviewed the application packet. All requirements, per Chapter 6- Alcoholic Beverages, were met.
2. If approved, the annual license fee will be \$5000.00 total (Retail sales of distilled spirits.)
3. The Jonesboro Police Department has conducted a computerized criminal history records check for the applicant and recommends approval based upon the background information received.
4. Per Section 6-39, the applicant has submitted the required land survey. Per Section 6-47:
(1) *For dealers of distilled spirits, regardless of whether malt beverages and/or wine is also sold, the licensee's premises cannot be located within 100 yards of any church building or within 200 yards of any school or education building, school ground, or college campus as defined in O.C.G.A. § 3-3-21. Meets requirements (see attached survey).*
(3) *For dealers of distilled spirits, wine or malt beverages, the licensee's premises cannot be located within 100 yards of any alcoholic treatment center as defined in O.C.G.A. § 3-3-21. Meets requirements (see attached survey).*

Requested Action (Identify appropriate Action or Motion, purpose, cost, timeframe, etc.)

Council to consider approval of Ordinance #2020-002, a proposed text amendment to the City of Jonesboro Code of Ordinances, regarding further revisions and updates to the "Table of Uses Allowed by Zoning District", Section 86-204, of Article VI – Conditional Uses, Chapter 86 – Zoning, of the City of Jonesboro Code of Ordinances. (Tabled from January.)

Section 86-204, Table of Uses

Economic Development, Community Planning, Neighborhood and Business Revitalization

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Agency recommendation – Approval of updates and revisions to Sec. 86-204; The Table of Uses has been revised as a response to certain zoning situations that came up in 2019.

- 1. Allowed for the possibility of multi-family residences in H-1 and H-2 zoning districts, with a Conditional Use Permit. Disallowed the possibility of multi-family residences in C-1 zoning districts.**
- 2. Deleted all remaining references to Sec. 86-113, Civic-Institutional District.**
- 3. Allowed for the possibility of administrative offices for certain construction companies in H-1 and H-2 zoning districts, as long as there was not any outdoor storage or parking of large equipment.**
- 4. Clarified that event centers do not allow for the hosting of funerals and wakes.**
- 5. Allowed for the possibility of more corporate management offices in certain zoning districts, provided that they are administrative only and do not involve any outdoor storage or parking of large equipment.**
- 6. Added regulations for additional uses related to other forms of waste collection, including the materials recovery and recycling.**
- 7. Added regulations for small cell permitting (telecommunications).**
- 8. Deleted redundant reference to 711320, Promoters of Performing Arts, Sports, and Similar Events without Facilities; Booking Agency.**

(Note: The new waste collection categories will require their own conditional use standards, which will be brought to the City Council in February.)

Update for February

City Attorney comments:

As for #531120, you can't legally exclude "services for established places of worship," because that would violate RLUIPA, which requires religious uses to be treated equally to any other similar secular use. All the other exclusions are fine. While I'm at it, you might want to consider 8131 and 81311, both religious-based uses as there no permitted uses of either in any zoning district, while there are non-religious similar uses that are otherwise permitted in districts it is not, or permitted as of right in districts it is permitted by conditional use only. For example, "Civil and Social Organizations," 8134, are allowed by conditional use in H-1 and H-2, but religious uses are not allowed at all. Since those secular civil and social organization uses are allowed by conditional use, religious uses should also be allowed by conditional use in those zoning districts to not technically violate RLUIPA. More problematic, 81341, the civil and social organizations without a bar are permitted as of right in H-2 and O-1, while religious uses are not permittee at all (H-2) or

permitted by conditional use (O-I). Those should be treated equally too. So in H-1, religious uses should be allowed a conditional use and in H-2 and O-I by right, unless the other civil and social organizations use requirements are changed to match what the religious uses are, or meet somewhere in the middle (like have them all conditional use in H-1 and H-2 and permitted in O-I or all conditional use in all three zoning districts). Also, look in 6111, elementary and secondary schools, to make sure those include religious schools as well. 71399 should include not only YMCA but also other non-profit organizations linked to other religious denominations (like the Marcus Jewish Community Center of Atlanta in Dunwoody, which contains everything from sports facilities, to theaters and performing arts and religious education). Those would have to be treated on the same level as a YMCA or a City Recreational Center.

Also, 5411, attorney's services – those kind of have to be permitted everywhere because the Georgia Supreme Court has stated that you can't keep attorney's from operating just about anywhere, even out of their own house (with a business license, of course) because the only ones allowed to regulate attorneys is the Georgia Supreme Court.

Finally, I didn't see Adult Entertainment there anywhere (or Sexually Oriented businesses). Your adult entertainment ordinance allows them in, basically, just the M-1 zoning districts, which is generally fine so long as they're allowed as of right there and there's at least 10-15 locations in that zoning district where they would be able to locate. They're not included in the Table of Uses, so I was wondering.

Also, at the January Council meeting, several Council members wanted the event centers described above to be less restrictive, in terms of occasional religious services and events for social and political organizations. It was also proposed that adult entertainment activities require a conditional use permit in M-1 zoning districts.

Conditional standards for adult entertainment and recycling facilities have now been included in the Additional Conditional Uses Section, Article XVII, also an agenda item for the February Council meeting.

Also, more restrictions were placed on event centers proposed for planned centers / connected storefronts.

Update, February 4, 2020: Further changes were made to make duplexes, townhomes, and condominiums all require a conditional use hearing.

Chapter 86, Article XVII, Additional Conditional Uses

Is this Item Goal Related? (If yes, describe how this action meets the specific Board Focus Area or Goal)

Community Planning, Neighborhood and Business Revitalization

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Agency recommendation – Approval of additions and revisions to Article XVII; Per the additions and revisions to the Table of Uses this month, it has become necessary to add standards and restrictions for new uses added to the Table that require conditional use approval.

1. Materials Recovery Facilities, including collection bins for recyclable materials. Section 86-640.
2. Adult Entertainment Facilities. Section 86-641.

These two new sections introduce standards necessary to appropriately address these uses in the City in the future.

Also, some additional restrictions were put on event centers proposed for planned centers / connected storefronts.

Fiscal Impact

(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)
