As requested by Mayor and Council, the following tables provide the estimated tax increase for average homestead and non-homestead properties at average fair market values of \$175,000 and \$525,000 respectively. Millage rates included in the comparison scenario are:

- 7.500 mils
- 8.500 mils
- 9.500 mils
- 14.000 mils

The formula for calculating the tax increase is determined by the Georgia Department of Revenue.

The proposed tax increase for a home with a fair market value of \$175,000 is approximately \$514.95 and the proposed tax increase for a non-homestead property with a fair market value of \$525,000 is approximately \$1,373.20.

Change in advertised rollback of 7.147 (based on certified digest) and updated rollback of 7.134 (based on updated digest)t is 0.18%. Change in proposed tax increase based on the same factor is 0.19% for a home with a fair market value of \$175,000 with proposed tax increase going from \$513.97 as advertised (based on certified digest) to \$514.95 (based on updated digest) and 0.19% for a non-homestead property with a fair market value of \$525,000 with

proposed tax increase going from \$1,370.60 as advertised (based on certified digest) to \$1,373.20 (based on updated digest).
