Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Since Lee Street Park has been opened, we have received numerous complaints with regards to proper utilization of the park. In an effort to remedy this forthcoming problem and to have visual presence, staff is recommending that a position, entitled "Park Ranger" be approved. Some of the essential functions include identifying and investigating suspicious behaviors; ensuring compliance with park rules and regulations; providing an official presence to deter vandalism, unsafe behaviors or other activities which jeopardize the security of parks; working to resolve conflicts with patrons and stopping potentially dangerous and/or destructive behaviors; contacting the police when additional assistance is needed or a crime has been committed; providing assistance, directions and information to patrons; promoting park activities and services; and responding to complaints; reporting broken park equipment; maintaining aesthetic value of the park; reporting and/or repairing hazardous trail conditions. Enforce City ordinances and State Laws as applicable. Issue citations and summons as necessary. Be able to present cases and testify in Court as needed. Incumbent may perform additional related duties as required. This is a part-time position requiring the incumbent to work hours typically ranging from 12:00 p.m. to 9:00 p.m. weekdays and weekends.

To ensure that we solicit qualified personnel, the minimum qualifications of the position classification require you to have at least one year of experience and be a certified Georgia Peace Officer. To that end, we are seeking to hire two part-time qualified individuals that would rotate days & weekends. The Park Ranger will report directly to the Chief of Police & will be provided the motorized cart to patrol Lee Street Park and to also monitor activities at other parks, when necessary.

Should Mayor & Council approve the addition of this position, we are requesting that the pay be set at \$14.50 per hour, no more than 30 hours per week. This equates to roughly 120 hours per month, 1440 hours per year & a total salary of \$20,880.00. The Park Ranger would be required to wear a uniform (different from that of a police officer) and also report all activity. In addition to normal patrol, the Park Ranger would also serve as a liaison for park guests assisting them with information relative to park functions, helping to keep the park tidy and locking up the park.

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

In 2013, the Jonesboro Mayor & Council approved a prohibition of tobacco at all parks. Unfortunately, there was no actual legislation (code revision, policy) implemented. To formalize the Council's intent, staff has prepared an ordinance to be codified with the City of Jonesboro Code of Ordinances to ban the practice of utilizing tobacco products in City owned and/or operated facilities.

In promoting health and wellness and facilitating community problem solving, staff believes it is in the best interest of the City to formally adopt a Tobacco Free policy. State-wide, outdoor smoking ordinances are designed to be self-enforcing. When communities pass these types of policies, they do not intend for police officers to spend their time search for people smoking in public places. Rather, the expectation is that through education and signage, residents and park goers will become aware of the smoking restrictions and most individuals who smoke will obey the law. We believe that tobacco use in the proximity of children and adults engaging in or watching recreational activities at City-owned or operated facilities is detrimental to their health and can be offensive to those utilizing our parks.

Staff has been in communication with the Department of Public Health who has advised that they will assist with the purchase and erection of tobacco free signage, once the ordinance is adopted. In addition, the Department of Public Health will assist the City in making their official announcement of our "Tobacco-Free Initiative" at our June 4, 2016 Concert.
