COUNCIL MEETING DATE

March 3, 2021

Requesting Agency (Initiator)

Office of the City Manager

Sponsor(s)

Community Development Director Allen

Requested Action (*Identify appropriate Action or Motion, purpose, cost, timeframe, etc.*)

Commission to make a recommendation for a Private Residence – 106 West Mimosa Drive; Rear extension of existing carport in Historic Residential Overlay

Requirement for Board Action (*Cite specific Council policy, statute or code requirement*)

City Code Section 86-270 Accessory Building Standards; Sec. 86-111 Historic Residential Overlay Standards

Is this Item Goal Related? (*If yes, describe how this action meets the specific Board Focus Area or Goal*)

Yes

Community Planning, Neighborhood and Business Revitalization

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Agency recommendation – Approval of Certificate of Appropriateness application: Mr. Wiggins owns 106 West Mimosa Drive and applied for a permit and a Certificate of Appropriateness for a 40 foot by 18-foot (720 square feet) carport extension into the rear yard of his home. There is currently a 2187 square-foot home and 600 square-foot carport, which both predate the Zoning Code. The property is zoned R-4 residential, but lies within the Historic Residential Overlay, which requires a Certificate of Appropriateness for new structures, per Sec. 86-111 (e).

Section 86-270 gives standards for accessory buildings in the City:

No accessory building shall exceed the height of the principal dwelling in any residential district, nor shall the combined total area of all accessory buildings on a lot exceed the larger of 800 square feet in area or 25 percent of the floor area of the principal dwelling. Calculation of floor area shall not include basement areas. All accessory buildings shall be set back a minimum of 100 percent of the front yard setback for the district; however no accessory building other than a detached garage may be located between the principal dwelling and the public right-of-way. A minimum side yard and rear yard setback of five feet shall apply to accessory building located a distance greater than 20 feet from the principal dwelling; otherwise the building setbacks for the principal dwelling shall apply to the accessory building.

All accessory structures established on the street side of a corner lot and located a distance equal to or less than the dimension of the required side yard for principal dwellings in the zoning district in which the lot is situated shall be screened through the installation of landscaping or stockade-type fence. Such screening shall comply with provisions of article XV of this chapter.

The exterior finishes and color of all accessory structures shall be identical to the exterior finish and color of the principal dwelling on which the accessory structures are located. For brick construction, only the characteristics of the trim work shall apply to the accessory buildings.

No accessory structure shall be located upon a lot until construction of the principal building has been completed and a certificate of occupancy has been issued.

No plumbing beyond a wash sink shall be permitted in an accessory structure.

The number of individual structures accessory to a residential use shall be controlled by the following schedule:

FOLLOW-UP APPROVAL ACTION (City Clerk)

Typed Name and Title

Ricky L. Clark, City Manager

Date

March, 3, 2021

Signature

City Clerk's Office

Lot Size	Number of Structures
----------	----------------------

Up to 1 acre	1
--------------	---

Above 1 acre	2
--------------	---

NOTE: This schedule provides for the indicated number of structures and one detached garage.

Staff response: The proposed carport enlargement is 720 square-feet, 25.8% of the 2787 square-feet already on the property. It will be fully behind the front setback line and at least 5 feet off of the side property line. It will be totally open with no sinks or any other features. It will be metal like the pre-existing carport, but will not be readily seen from the road, which should not be an issue.

Section 86-111 gives further standards for accessory buildings in the Historic Residential Overlay:

e. Accessory structures.

1. Historic accessory structures, or outbuildings, shall be maintained in accordance with guidelines for dwellings in the overlay.

2. New accessory structures, including, but not limited to carports, garages and storage sheds, shall be located behind the facade line of the dwelling.

3. The design, scale, placement and materials of new accessory structures within public view shall be compatible with those of the principal dwelling.

Staff response: The proposed accessory building complies with these standards, being in the rear yard but will not be readily within public view, being in the back yard and largely obscured in the side yard by the existing carport.

Fiscal Impact	(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)

JONESBORO HISTORIC PRESERVATION COMMISSION APPLICATION FOR CERTIFICATE OF APPROPRIATENESS

The Jonesboro Historic Preservation Commission or J.H.P.C. is tasked with ensuring the Historic District's Preservation and Standards are met according to the City of Jonesboro Codes and Ordinances. This application and approval thereof does not constitute an approval to begin construction. It is a review of Chapter 86-Zoning, Section 86-102 (H-1) Historic District and Section 86-103 (H-2) Historic District. Once the applicant meets Historic District Code, the process of approval of plans, land disturbance, and other compliance measures must be met. Please contact the Jonesboro City Hall (770) 478-3800 and speak with the City Clerk for further information.

Property Information:

Address: 106 W Mimosa Dr

Owner: Bobby Wiggins

Note: if applicant is not the owner, the applicant must provide written permission from the owner – notarized, and owner's contact information. See Jonesboro City Hall to obtain permissible document.

Applicant Information

Applicant Name: Bobby Wiggins

Mailing Address: 106 W Mimosa Dr, Jonesboro, GA 30236

Email Address: bobbywiggins48@yahoo.com Phone 770 471-3668

Fees and Charges are identified within the City of Jonesboro's schedule of fees for the Historic Preservation Committee Certificate of Appropriateness.

Application Fee \$75.00

PROJECT INFORMATION

Type of Project (Check all that apply)

Construction

- New building
- Additional building
- Minor Exterior Change
- Major Building Restoration, Rehabilitation, or Remodeling

Site Changes

- Parking area(s), Driveway(s), or Walkway(s)
- Fence(s) or Wall (s)
- Sign(s)
- Mechanical System(s)
- Non-temporary Site Feature(s): (i.e. satellite dishes, pools, lighting, arbors, gazebo's, etc.)

Demolition or Relocation

- Primary Building
- Outbuilding
- Site Feature

APPLICATION REQUIREMENTS

Applicants must include support materials as noted to be considered (i.e. plans, schematics, images, dimensions, surrounding structures). Incomplete applications will not be reviewed.

APPLICATION DEADLINE & REPRESENTATION

Applications must be delivered to the Jonesboro City Hall at least eighteen (18) days preceding the next scheduled J.H.P.C. meeting. The J.H.P.C. meets on an as needed basis. Applicant's attendance is required: A presentation with visuals and detailed information is suggested. Questions which may arise, and if unanswered could result in the denial of the application.

REQUIRED MATERIALS

The following materials are required for a complete application. Incomplete applications WILL NOT be reviewed.

A. New Buildings and Additions:

- i. Description of Project
- ii. Site Plan
- iii. Architectural Elevations
- iv. Floor Plan
- v. Description of Materials
- vi. Photographs of Proposed Site

B. Major Restoration, Rehabilitation, or Remodeling:

- i. Architectural Elevations or Sketches
- ii. Description of Project
- iii. Description of Materials
- iv. Photographs of Proposed Site

C. Minor Exterior Changes:

- i. Description of Project
- ii. Description of Materials
- iii. Photographs of Existing Building

D. Site Changes: Parking, Driveways & Walkways:

- i. Site Plan or Sketch of Site
- ii. Description of Materials
- iii. Photographs of Site

E. Site Changes: Fences, Walls, and other Site Features:

- i. Site Plan or Sketch of Site
- ii. Architectural Elevations or Sketches
- iii. Description of Materials
- iv. Photographs of Site

F. Site Changes: Signs:

- i. Architectural Elevation or Sketch (For signs located on the building)
- ii. Site Plan or Sketch of Site (For free standing signs)
- iii. Description of Materials and Illumination

PROJECT AND MATERIALS DESCRIPTION

Extend my existing carport on the back side (in my back yard) I will be using the same type and material (metal).

COUNCIL MEETING DATE

March 3, 2021

Requesting Agency (Initiator) Office of the City Manager	Sponsor(s) Community Development Director Allen
Requested Action (Identify appropriate Action or Motion, purpose, cost, timeframe, etc.) Commission to make a recommendation for Tax Facts, Inc. – 114 North McDonough Street; Sign and awning for commercial building in Historic District	
Requirement for Board Action (Cite specific Council policy, statute or code requirement) City Code Section 86-489, 86-490, and 86-495 – Sign Standards	
Is this Item Goal Related? (If yes, describe how this action meets the specific Board Focus Area or Goal) Yes Beautification, Community Planning, Neighborhood and Business Revitalization, Historic Preservation	

Summary & Background (First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Approval of design; Recently, the Code Enforcement Officer noticed personnel at the business, Tax Facts, Inc., replacing their sign (white letters) and front door canopy (the canopy is already up but the new letters are not). They were informed that they needed a permit and a Certificate of Appropriateness approval for being in the Historic District. In his application, the owner said that the old letters “were breaking up and fallen to the sidewalk.” He states that the replacement letters are exactly the same size and will be in the same location as the former letters. However, the new letters were observed by the Code Enforcement Officer to be red. Also, the new canopy is obviously blue versus the old green. The blue canopy now matches the canopy color of adjacent businesses. The letters will meet the Code:

1. The letters (13.44 square feet) will not exceed the maximum 150 total square feet allowed for wall signs.
2. The letter area (5.6%) will not exceed the maximum 7.5% wall coverage allowed for wall signs.
3. The proposed sign does not straddle any existing columns or panels on the building exterior.

The property is also in the Historic District, which has its own signage standards.

Sec. 86-495. - Historic district.

(3) Signage standards.

a. General. Signage shall complement the architectural details of the building, and shall not violate or otherwise obscure the architecture of the building to which it is attached. Signs, lettering, or boxed graphics shall not cut across columns, cornices, windowsills, arches or balconies, nor extend above the roofline of any building to which it is attached.

b. Lettering, size, and content. Letters can be painted or mounted directly on a signboard, storefront, wall or window, if in proportion to the storefront. Lots in the H-1 Historic District are allowed the same amount of signage as lots outside of the H-1 Historic District. In the H-1 Historic District, canopy signs and hanging or suspended signs may be utilized. Provided, however, in no case may the total signage area exceed ten percent of the building face to which the sign is attached. Acceptable lettering materials include wood, stone, synthetic stone, metal, vinyl, dimensional plastic, acrylic, or high-density polystyrene foam. The overall design of all signage shall be compatible with the turn-of-the-century theme of the historic district.

c. Materials. Signs may be constructed of concrete, brick, wood, stone, metal, glass, or synthetic materials that have the same appearance of the aforementioned natural materials due to their finish. All materials shall be compatible with the building's architecture, and should be colorfast and resistant to corrosion. Signs shall be professionally finished in accordance with the material selected, whether by sanding, painting, staining and/or sealing, with the edges of the sign framed out and/or sealed.

d. Lighting. All signs in the historic district, whether ground signs or wall signs, shall only be illuminated by an external light source, and

FOLLOW-UP APPROVAL ACTION (City Clerk)

Typed Name and Title Ricky L. Clark, City Manager	Date March, 3, 2021	
Signature	City Clerk's Office	

e. Colors. The historic preservation commission shall approve the color or colors of all signs as well as the color or colors of all lettering, symbols, marks, pictures, figures, embellishments, frames or the like contained therein.

The letters will be the exact same material (plastic) as before and the same size. There will be no illumination, external or internal, of the sign.

Fiscal Impact

(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)

JONESBORO HISTORIC PRESERVATION COMMISSION APPLICATION FOR CERTIFICATE OF APPROPRIATENESS

The Jonesboro Historic Preservation Commission or J.H.P.C. is tasked with ensuring the Historic District's Preservation and Standards are met according to the City of Jonesboro Codes and Ordinances. This application and approval thereof does not constitute an approval to begin construction. It is a review of Chapter 86-Zoning, Section 86-102 (H-1) Historic District and Section 86-103 (H-2) Historic District. Once the applicant meets Historic District Code, the process of approval of plans, land disturbance, and other compliance measures must be met. Please contact the Jonesboro City Hall (770) 478-3800 and speak with the City Clerk for further information.

Property Information:

Address: 114 N. McDonough ST

Owner: Edward Tokash for Tax Facts

Note: if applicant is not the owner, the applicant must provide written permission from the owner – notarized, and owner's contact information. See Jonesboro City Hall to obtain permissible document.

Applicant Information:

Applicant Name: Edward Tokash

Mailing Address: 114 N McDonough ST Jonesboro

Email Address: ETokash@TaxFacts.com Phone 770-471-3003

Fees and Charges are identified within the City of Jonesboro's schedule of fees for the Historic Preservation Committee Certificate of Appropriateness.

Application Fee \$75.00

PROJECT INFORMATION

Type of Project (Check all that apply)

Construction

- New building
- Additional building
- Minor Exterior Change
- Major Building Restoration, Rehabilitation, or Remodeling

Site Changes

- Parking area(s), Driveway(s), or Walkway(s)
- Fence(s) or Wall (s)
- Sign(s) *No Change - Letters Approved by
Historic Com. About 25 yrs Ago*
- Mechanical System(s)
- Non-temporary Site Feature(s): (i.e. satellite dishes, pools, lighting, arbors, gazebo's, etc.)

Demolition or Relocation

- Primary Building
- Outbuilding
- Site Feature

APPLICATION REQUIREMENTS

Applicants must include support materials as noted to be considered (i.e. plans, schematics, images, dimensions, surrounding structures). Incomplete applications will not be reviewed.

APPLICATION DEADLINE & REPRESENTATION

Applications must be delivered to the Jonesboro City Hall at least eighteen (18) days preceding the next scheduled J.H.P.C. meeting. The J.H.P.C. meets on an as needed basis. Applicant's attendance is required: A presentation with visuals and detailed information is suggested. Questions which may arise, and if unanswered could result in the denial of the application.

REQUIRED MATERIALS

The following materials are required for a complete application. Incomplete applications WILL NOT be reviewed.

A. New Buildings and Additions:

- i. Description of Project
- ii. Site Plan
- iii. Architectural Elevations
- iv. Floor Plan
- v. Description of Materials
- vi. Photographs of Proposed Site

B. Major Restoration, Rehabilitation, or Remodeling:

- i. Architectural Elevations or Sketches
- ii. Description of Project
- iii. Description of Materials
- iv. Photographs of Proposed Site

C. Minor Exterior Changes:

- i. Description of Project
- ii. Description of Materials
- iii. Photographs of Existing Building

D. Site Changes: Parking, Driveways & Walkways:

- i. Site Plan or Sketch of Site
- ii. Description of Materials
- iii. Photographs of Site

E. Site Changes: Fences, Walls, and other Site Features:

- i. Site Plan or Sketch of Site
- ii. Architectural Elevations or Sketches
- iii. Description of Materials
- iv. Photographs of Site

F. Site Changes: Signs:

- i. Architectural Elevation or Sketch (For signs located on the building)
- ii. Site Plan or Sketch of Site (For free standing signs)
- iii. Description of Materials and Illumination

Agenda Item Summary**

Agenda Item #

5.c

-c

COUNCIL MEETING DATE

March 3, 2021

Requesting Agency (Initiator)

Office of the City Manager

Sponsor(s)

Community Development Director Allen

Requested Action (*Identify appropriate Action or Motion, purpose, cost, timeframe, etc.*)

Commission to make a recommendation for T H Weiss – 180 North McDonough Street; Changing exterior color on commercial business in Historic District

Requirement for Board Action (*Cite specific Council policy, statute or code requirement*)

City Code Section 86-103 H-2 Historic District Standards

Is this Item Goal Related? (*If yes, describe how this action meets the specific Board Focus Area or Goal*)

Yes

Beautification, Community Planning, Neighborhood and Business Revitalization, Historic Preservation

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Agency recommendation – Approval of exterior paint changes; Tara Plumbing and TH Weiss are both located at 180 North McDonough Street and are commercial businesses in a converted dwelling. The property is zoned H-2 and is in the Historic District. Recently, the applicant applied for a Certificate of Appropriateness to repaint certain portions of the exterior of the building in order to update the look. In 2018, the same building was approved by the Historic Preservation Commission for a replacement roof.

Per the applicant: "House is currently a front porch gray and want to change to a traditional gray which is slightly lighter. Trim is currently a light yellow / tannish color. Want to change that to white. Smaller gables are currently red and they will remain red."

Section 86-103:

b. Building materials.

1. Historic building materials shall be maintained.
2. Unpainted brick facades shall remain unpainted.

3. Damaged exterior materials shall be treated with materials that will not cause further deterioration, including the use of a historic mortar mix of an appropriate color when repointing brick.

4. Proper maintenance of all building materials shall adhere to the secretary of interior's standards for rehabilitation and other resources on file with the office of downtown development.

c. Building color.

1. Recommended color shades shall draw from the range of existing color shades and complement the color schemes that already exist in the district. Reference materials on appropriate color palettes will be available for review at the office of downtown development at city hall.

2. Neon colors are prohibited.

3. Primary colors may be acceptable for trim or accents pending review and approval by the director of downtown development.

4. Color patterns shall be consistent with the architectural style of the structure and with the overall historic character of the district.

In summary, the front porch brick has been painted for a long time. The colors chosen for the update are not substantially different than what it out there now. The removal of the yellowish color on the trim will be a definite improvement. The colors will be fresher and somewhat lighter, but will still be compatible with the adjacent neighborhood.

COUNCIL MEETING DATE

March 3, 2021

Requesting Agency (Initiator)

Office of the City Manager

Sponsor(s)

Community Development Director Allen

Requested Action (Identify appropriate Action or Motion, purpose, cost, timeframe, etc.)

Commission to make a recommendation for Spine and Orthopedic Center – 1287 Hwy. 138; Sign for new commercial business

Requirement for Board Action (Cite specific Council policy, statute or code requirement)

City Code Section 86-489 and 86-490 – Sign Standards

Is this Item Goal Related? (If yes, describe how this action meets the specific Board Focus Area or Goal)

Yes

Beautification, Community Planning, Neighborhood and Business Revitalization

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Agency recommendation – Approval of wall sign; For several years, the Spine and Orthopedic Center has operated in Suite 8 at the commercial center at 1287 Highway 138. The property is zoned C-2 but is not in any Overlay or Historic District. The applicant has applied for a replacement wall sign to replace the green sign currently there. The new wall sign will meet the Code:

1. The sign (115 square feet) will not exceed the maximum 150 total square feet allowed for wall signs.
2. The sign area (5106%) is just slightly above the maximum 10% wall coverage allowed for wall signs on double frontage lots. (Property has frontage on Highway 138 and East Dixie Drive.)
3. The proposed sign does not straddle any existing columns or panels on the building exterior.

The sign will be aluminum in an aluminum cabinet. It will be internally illuminated. No backlighting neon “glow” is allowed. The new sign is a definite upgrade over what is there now.

Fiscal Impact

(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)

Private Owner

ATTACH ADDITIONAL PAGES IF NECESSARY. ALL ATTACHMENTS MUST BE NUMBERED. INDICATE THE PAGE NUMBER OF ATTACHMENT IN THE SPACES PROVIDED FOR EACH RELEVANT ANSWER. USE A SEPARATE PAGE FOR EACH NECESSARY QUESTION/ANSWER ATTACHMENT.

ANY MISSTATEMENT OR CONCEALMENT OF FACT IN THIS APPLICATION SHALL BE GROUNDS FOR REVOCATION OF THE LICENSE ISSUED AND SHALL MAKE THE APPLICANT LIABLE TO PROSECUTION FOR PERJURY. PLEASE DO NOT LEAVE ANY AREAS UNANSWERED.

APPLICATION FEE: \$60.00 (Non-Refundable). The Sign Permit fee is an additional cost. The City of Jonesboro will calculate and advise fees due.

Administrative fee	(flat fee) \$60.00
Area of Sign 1-10ft ²	(flat fee) \$35.00
Area of Sign 11-25ft ²	(flat fee) \$60.00
Area of Sign 26-50ft ²	(flat fee) \$90.00
Area of Sign 51ft ² and greater	(flat fee) \$120.00
Temporary Signs Two permits allowed per property per year. First is free and a flat fee is required for 2nd permit.	(flat fee for second permit) \$30.00

Date of Application: 2-24-21

PLEASE PRINT OR TYPE This is an application for authorization to erect/change signage. A permit fee of \$_____ will be charged and must be submitted with this application, and is based on the City of Jonesboro Schedule of Fees. The signage fees are based on independent sign size. A separate application is required for each new sign or for any change to an existing sign.

Once authorization has been given, and within 10 days of work completion, the applicant must request in writing a final permit. Included with your final permit request must be a current and dated photograph of each face of the sign and a signed affidavit that the photographs are accurate, with a statement that the sign was erected/changed as described in the application. False statements made on this application are grounds for revocation of the sign permit authorization.

The city shall process all sign authorizations/permit applications, within 45 days of the city's receipt of completed application. Once written authorization has been issued, all work must be completed within 180 days. If, after 180 days, the City has not received report of completion, the authorization shall become null and void and no final permit will be issued.

CITY OF JONESBORO, GEORGIA COUNCIL Agenda Item Summary

Agenda Item #

5.e
-e

COUNCIL MEETING DATE

March 3, 2021

Requesting Agency (Initiator)

Office of the City Manager

Sponsor(s)

Community Development Director Allen

Requested Action (*Identify appropriate Action or Motion, purpose, cost, timeframe, etc.*)

Commission to make a recommendation for a Commercial Center – 137 West Mill Street; Update on new sign. Will be considered for Certificate of Appropriateness extension by Historic Preservation Commission.

Requirement for Board Action (*Cite specific Council policy, statute or code requirement*)

City Code Section 86-489 and 86-490 –General Sign Standards; Sec 86-495 – Historic Dist. Sign Standards

Is this Item Goal Related? (*If yes, describe how this action meets the specific Board Focus Area or Goal*)

Yes

Beautification, Community Planning, Neighborhood and Business Revitalization, Historic Preservation

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

First approved in September 2019 and approved for renewal of the Certificate of Appropriateness in July 2020, the sign design has gone through several delays, one of the main ones being trying to coordinate with the adjacent Broad Street renovation (in terms of possible sidewalk locations).

Now that the Broad Street project is 99% complete, the applicant is asking for another renewal of their Certificate of Appropriateness certificate to get started soon.

The new sign design is quality and will complement the Broad Street project.

Fiscal Impact

(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)

Private Owner

JONESBORO HISTORIC PRESERVATION COMMISSION

APPLICATION FOR CERTIFICATE OF APPROPRIATENESS

The Jonesboro Historic Preservation Commission or J.H.P.C. is tasked with insuring the Historic District's Preservation and standards are met according to the City of Jonesboro Codes and Ordinances. This application and approval thereof does not constitute an approval to begin construction. It is a review of Chapter 86 – Zoning, Section 86-102 (H-1) Historic District and Section 86-103 (H-2) Historic District. Once the applicants meets Historic District Code, the process of approval of plans, land disturbance, and other compliance measures must be met. Please contact the Jonesboro City Hall (770) 478-3800 and speak with the City Clerk for further information.

Property Information:

Address: 137 West Mill St. Jonesboro, GA.

Owner: Artofmore Properties LLC

Note: if applicant is not the owner, the applicant must provide written permission from the owner – notarized, and owner's contact information. See Jonesboro City Hall staff to obtain permissible document.

Applicant Information:

Applicant Name: Matthew Foley

Mailing Address: 10800 Jones Bridge Rd. D2 Johns Creek, GA. 30022

Email Address: Matt@suretybondgirls.com Telephone: 678-694-1967

- Fees and Charges as identified within the City of Jonesboro's schedule of fees for the Historic Preservation Committee Certificate of Appropriateness.

Residential - \$35.00

Commercial: \$50.00

Sign: \$10.00

PROJECT INFORMATION

Type of Project (Check all that apply)

Construction

- New building
- Additional building
- Minor Exterior Change
- Major Building Restoration, Rehabilitation, or Remodeling

Site Changes

- Parking area(s), Driveway(s), or Walkway(s)
- Fence(s) or Wall (s)
- Sign(s)
- Mechanical System(s)
- Non-temporary Site Feature(s): (i.e. satellite dishes, pools, lighting, arbors, gazebo's, etc.)

Demolition or Relocation

- Primary Building
- Outbuilding
- Site Feature

APPLICATION REQUIREMENTS

Applicants must include support materials as noted to be considered (i.e. plans, schematics, images, dimensions, surrounding structures). Incomplete applications will not be reviewed.

APPLICATION DEADLINE & REPRESENTATION

Applications must be delivered to the Jonesboro City Hall at least eighteen (18) days preceding the next scheduled J.H.P.C. meeting. The J.H.P.C. meets on an as needed basis. Applicant's attendance is required: A presentation with visuals and detailed information is suggested. Questions which may arise, and if unanswered could result in the denial of the application.

REQUIRED MATERIALS

The following materials are required for a complete application. Incomplete applications WILL NOT be reviewed.

A. New Buildings and Additions:

- i. Description of Project
- ii. Site Plan
- iii. Architectural Elevations
- iv. Floor Plan
- v. Description of Materials
- vi. Photographs of Proposed Site

B. Major Restoration, Rehabilitation, or Remodeling:

- i. Architectural Elevations or Sketches
- ii. Description of Project
- iii. Description of Materials
- iv. Photographs of Proposed Site

C. Minor Exterior Changes:

- i. Description of Project
- ii. Description of Materials
- iii. Photographs of Existing Building

D. Site Changes: Parking, Driveways & Walkways:

- i. Site Plan or Sketch of Site
- ii. Description of Materials
- iii. Photographs of Site

E. Site Changes: Fences, Walls, and other Site Features:

- i. Site Plan or Sketch of Site
- ii. Architectural Elevations or Sketches
- iii. Description of Materials
- iv. Photographs of Site

F. Site Changes: Signs:

- i. Architectural Elevation or Sketch (For signs located on the building)
- ii. Site Plan or Sketch of Site (For free standing signs)
- iii. Description of Materials and Illumination

PROJECT AND MATERIALS DESCRIPTION

ADDING A NEW 30 SQ.FT. ALUMINUM FABRICATED CABINET GROUND SIGN TO THE PROPERTY

THE HEIGHT OF THE SIGN IS 6'-0" FROM THE GROUND TO TOP OF SIGN

SIGN PERMIT APPLICATION

ATTACH ADDITIONAL PAGES IF NECESSARY. ALL ATTACHMENTS MUST BE NUMBERED. INDICATE THE PAGE NUMBER OF ATTACHMENT IN THE SPACES PROVIDED FOR EACH RELEVANT ANSWER. USE A SEPARATE PAGE FOR EACH NECESSARY QUESTION/ANSWER ATTACHMENT.

ANY MISSTATEMENT OR CONCEALMENT OF FACT IN THIS APPLICATION SHALL BE GROUNDS FOR REVOCATION OF THE LICENSE ISSUED AND SHALL MAKE THE APPLICANT LIABLE TO PROSECUTION FOR PERJURY. PLEASE DO NOT LEAVE ANY AREAS UNANSWERED.

APPLICATION FEE: \$60.00 (Non-Refundable). The Sign Permit fee is an additional cost. The City of Jonesboro will calculate and advise fees due.

Administrative fee	(flat fee) \$60.00
Area of Sign 1-10ft ²	(flat fee) \$35.00
Area of Sign 11-25ft ²	(flat fee) \$60.00
Area of Sign 26-50ft ²	(flat fee) \$90.00
Area of Sign 51ft ² and greater	(flat fee) \$120.00
Temporary Signs	(flat fee for second permit) \$30.00
Two permits allowed per property per year. First is free and a flat fee is required for 2nd permit.	

Date of Application: _____

PLEASE PRINT OR TYPE This is an application for authorization to erect/change signage. A permit fee of \$ _____ will be charged and must be submitted with this application, and is based on the City of Jonesboro Schedule of Fees. The signage fees are based on independent sign size. A separate application is required for each new sign or for any change to an existing sign.

Once authorization has been given, and within 10 days of work completion, the applicant must request in writing a final permit. Included with your final permit request must be a current and dated photograph of each face of the sign and a signed affidavit that the photographs are accurate, with a statement that the sign was erected/changed as described in the application. False statements made on this application are grounds for revocation of the sign permit authorization

The city shall process all sign authorizations/permit applications, within 45 days of the city's receipt of completed application. Once written authorization has been issued, all work must be completed within 180 days. If, after 180 days, the City has not received report of completion, the authorization shall become null and void and no final permit will be issued.

COUNCIL MEETING DAT

Requesting Agency

Community Development (Matthew Foley, applicant)Requested Action *(Identify appropriate Action or Motion, purpose, cost, timeframe, etc.)*

Sign permit application for replacement ground sign in historic district

Requirement for Board Action *(Cite specific Council policy, statute or code requirement)*

City Code Section 86-489 and 86-490 – General sign standards; Sec 86-495 – Historic Dist. Sign standards

Is this Item Goal Related? *(If yes, describe how this action meets the specific Board Focus Area or Goal)* Yes No**Summary & Background***(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

Agency recommendation – Approval of revised sign design, meeting Code setback requirements; The property, 137 West Mill Street, has been the site for a multi-tenant commercial building for many years. The property is zoned H-1 (Historic District), any new signs or alterations to existing signs require Certificate of Appropriateness approval from the Historic Preservation Commission and review by the Design Review Commission. The existing ground sign that was at the corner of West Mill Street and Riley Way has recently been torn down. The replacement ground sign is proposed for the same grass area at the street corner.

Sec. 86-490. Regulated signs.

- (a) *Ground signs, which are permanent, shall be permitted in non-residential zoning districts. No ground sign shall have a height greater than six feet above normal grade, or a sign face area greater than 35 square feet (each side) for lots with a single building and 45 square feet (each side) for planned centers. No portion of a ground sign shall not be located within ten feet of a street right-of-way or within 50 feet of any other permanent sign, major structure or building. Changeable copy shall not exceed 33 percent of the area of the sign face. Ground signs are allowed only on lots upon which there is a building which is currently occupied pursuant to a current and valid certificate of occupancy issued by the city or which is currently being developed under an active building permit issued by the city.*
- (c) *Planned centers.*
 - (1) *A planned center, not located along Tara Boulevard, shall be entitled to one monument sign on each street right-of-way fronted. These permitted signs shall be limited to sign face areas of 45 square feet each with a maximum frame height of six feet from grade. No portion of the sign shall include an area for changeable letters.*
 - (2) *In addition to monument signs, a planned center, not located along Tara Boulevard, shall be entitled to one ground sign per entrance. Each such ground sign may have multiple face panels, the number of which shall not exceed the number of businesses*

or organizations located within the planned center. The size and number of face panels shall not exceed the total allowable sign face area for a ground sign. No portion of the sign or any face panel shall include an area for changeable letters, either manual or electronic.

(4) No ground sign permits shall be issued for buildings or units in a planned center unless they are consistent in design, proportion, and material to the building(s).

Sec. 86-495. Historic districts.

The purpose of this section is to ensure that signage in the historic district is harmonious in proportion, form, color, and materials to the character of said district. Visual relatedness is crucial to the goal of an integrated historic district, and signs play a key role in helping to preserve the historical district's sense of time and place, and to achieve the desired effect of charm and compatibility. No sign shall be erected, altered, restored or moved within the historic district until an application for a Certificate of Appropriateness as to exterior architectural features and signage has been reviewed and approved by the Historic Preservation Commission and the Design Review Commission. All proposed changes requiring a Certificate of Appropriateness shall comply with the applicable design standards in the 2005 Zoning Ordinance.

(1) Applicability. This section shall apply only to those building structures and uses within the geographical boundaries of the Historic Districts, the H-1 and H-2 zoning districts.

(2) Compatibility. As to signs, buildings, structures, and uses within the Historic Districts, when a provision of this section conflicts with any section in the balance of this article, the provision of this section shall control. Otherwise, to the extent reasonably possible, the provisions of this section shall be interpreted consistent with the provisions of the balance of this article.

(3) Signage standards.

a. General. Signage shall complement the architectural details of the building and shall not violate or otherwise obscure the architecture of the building to which it is attached. Signs, lettering, or boxed graphics shall not cut across columns, cornices, windowsills, arches or balconies, nor extend above the roofline (except for parapets and mansards) of any building to which it is attached.

- b. *Lettering, size, and content. Letters can be painted or mounted directly on a signboard, storefront, wall or window, if in proportion to the storefront. Lots in the H-1 and H-2 Historic Districts are allowed the same amount of signage as lots outside of the H-1 and H-2 Historic Districts. In the H-1 and H-2 Historic Districts, canopy signs and hanging or suspended signs may be utilized. Provided, however, in no case may the total signage area exceed ten percent of the building face to which the sign is attached. Acceptable lettering materials include wood, stone, synthetic stone, metal, and acrylic. The overall design of all signage shall be compatible with the turn-of-the-century theme of the historic district.*
- c. *Materials. Signs may be constructed of concrete, brick, wood, stone, metal, glass, or synthetic materials that have the same appearance of the aforementioned natural materials due to their finish. All materials shall be compatible with the building's architecture and should be colorfast and resistant to corrosion. Signs shall be professionally finished in accordance with the material selected, whether by sanding, painting, staining and/or sealing, with the edges of the sign framed out and/or sealed.*
- d. *Lighting. All signs in the historic district, whether ground signs or wall signs, shall only be illuminated by an external light source, and through craftsmanship and materials, shall reflect the design aesthetics of the historic district.*
- e. *Colors. The Historic Preservation Commission and the Design Review Commission shall consider the context of the surrounding area when reviewing the color of a proposed sign in the Historic Districts; however, the colors and logos of nationally and regionally recognized businesses shall not be prohibited.*

While the proposed sign is an improvement over the previous sign in terms of aesthetics and does meet some size requirements (sign face area and height), there are several design issues which need to be addressed before the sign design can be approved.

- The Historic District does not allow internal illumination.
- The sign is listed on the sign application as being 5 feet off of the right-of-way. A minimum 10 feet is required, without an approved variance. The grass area is so tight, there may not be room to get a sign of any significant size at the corner. And though the sign does not exceed the 6-foot height maximum, the presence of a human-sized sign in that area (even 10 feet off of the right-of-way) may be a sight distance traffic hazard and prevent the street sign from being seen by motorists traveling south on West Mill Street.

Design Review Commission, 9.4.19 – Based on staff criteria above. Continuance until October meeting to allow time for redesign. **(to be heard at Special Called Meeting 9.18.19)**

(Sign company is currently working on redesign – taking out internal illumination, lowering sign height, and relocating it enough off of the right-of-way.)

Revised design is no longer internally illuminated, is 4 feet in height (2 feet lower), has a dark bronze color to more match the building, and is further off the streets.

Historic Preservation Commission, 9.16.19 – Approval; Installation of replacement ground sign, as shown on revised exhibit. Sign to be minimum 10 feet from each adjacent street right-of-way, shall be a maximum 4 feet tall, shall not have internal illumination, and color shall be dark bronze to more closely match building. Provide landscaping in disturbed areas. To include solar lighting to illuminate sign face. Approval contingent upon Design Review Commission approval on September 18, 2019.

CITY OF JONESBORO, GEORGIA COUNCIL

Agenda Item Summary

Agenda Item #

5.f
-f

COUNCIL MEETING DATE

March 3, 2021

Requesting Agency (Initiator) Office of the City Manager	Sponsor(s) Community Development Director Allen
Requested Action (Identify appropriate Action or Motion, purpose, cost, timeframe, etc.) Commission to make a recommendation for Tran Realty – 181 North Main Street; New ground sign for commercial building in Historic District	
Requirement for Board Action (Cite specific Council policy, statute or code requirement) City Code Section 86-489 and 86-490 – Sign Standards' Sec. 86-495 Historic District Sign Standards	
Is this Item Goal Related? (If yes, describe how this action meets the specific Board Focus Area or Goal) Yes Beautification, Community Planning, Neighborhood and Business Revitalization, Historic Preservation	
Summary & Background	(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.) Agency recommendation – Denial of sign design; 181 North Main Street has been a commercial building in the Historic District for many years. Recently, Tran Realty applied for a ground sign permit at the property, requiring Design Review Commission and Historic Preservation Commission review. No sign exists there now; therefore, the sign framework location, height, and size cannot be grandfathered like many other pre-existing signs in the Historic District.
The proposed sign is a double-sided panel, 32 square feet each side, mounted between two wooden posts. The sign is proposed to be 8 feet tall, and about 15 feet from the front of the building and an unknown distance from the right-of-way. No electronics or illumination was proposed.	
Sec. 86-489. - General regulations.	
<ul style="list-style-type: none"> (a) <i>Messages. Any sign allowed under this article may contain any message, except those displaying any statement, word, character or illustration of an obscene nature.</i> (b) <i>Non-residential zoning districts. In non-residential zoning districts signs shall be permitted in the following combination of wall and ground signs subject to the provisions hereinafter stated:</i> <ul style="list-style-type: none"> (1) <i>Lot with one building, which building is currently occupied pursuant to a current and valid certificate of occupancy issued by the city.</i> <ul style="list-style-type: none"> a. <i>Combination of one wall sign and one ground sign, subject to the respective size limitations in section 86-490. In addition to section 86-490, each wall sign shall not exceed 7.5 percent of the exterior building facade, without an approved variance</i> 	
Single building on multiple frontage lots are allowed a total of ten percent of the exterior building facade for wall signs, and may have one additional wall sign, and one additional ground sign (subject to the size limitations in section 86-490). When calculating their allowed square footage, buildings on multiple frontage lots shall base their calculations on the facade with the primary entrance and/or architectural features of the building. Otherwise, the facade used shall be that facade which faces the public road of the greatest capacity. The classification of streets in the thoroughfare plan shall be the basis for determining street capacity.	
Sec. 86-490. - Regulated signs.	
<ul style="list-style-type: none"> (a) <i>Ground signs, which are permanent, shall be permitted in non-residential zoning districts. No ground sign shall have a height greater than six feet above normal grade, or a sign face area greater than 35 square feet (each</i> 	

FOLLOW-UP APPROVAL ACTION (City Clerk)

Signature	City Clerk's Office	

side) for lots with a single building and 45 square feet (each side) for planned centers. No portion of a group sign shall not be located within ten feet of a street right-of-way or within 50 feet of any other permanent sign, major structure or building. Changeable copy shall not exceed 33 percent of the area of the sign face. Ground signs are allowed only on lots upon which there is a building which is currently occupied pursuant to a current and valid certificate of occupancy issued by the city or which is currently being developed under an active building permit issued by the city.

5.f

While The proposed sign complies with the panel size requirements, it is two feet taller than the allowed height, closer to the building than 50 feet, and likely closer to the right-of-way line than 10 feet.

While the height could certainly be reduced to comply, it will be hard to comply with the 50-foot building setback and 10-foot right-of-way setback at the same time. An alternative would be an appropriately sized wall sign.

Sec. 86-495. - Historic districts.

The purpose of this section is to ensure that signage in the historic district is harmonious in proportion, form, color, and materials to the character of said district. Visual relatedness is crucial to the goal of an integrated historic district, and signs play a key role in helping to preserve the historical district's sense of time and place, and to achieve the desired effect of charm and compatibility. No sign shall be erected, altered, restored or moved within the historic district until an application for a certificate of appropriateness as to exterior architectural features and signage has been reviewed and approved by the historic preservation commission and the design review commission. All proposed changes requiring a certificate of appropriateness shall comply with the applicable design standards in the 2005 zoning ordinance.

- (1) *Applicability. This section shall apply only to those structures and uses within the geographical boundaries of the historic districts, the H-1 and H-2 zoning districts.*
- (2) *Compatibility. As to signs, buildings, structures, and uses within the historic districts, when a provision of this section conflicts with any section in the balance of this article, the provision of this section shall control. Otherwise, to the extent reasonably possible, the provisions of this section shall be interpreted consistent with the provisions of the balance of this article.*
- (3) *Signage standards.*
 - a. *General. Signage shall complement the architectural details of the building and shall not violate or otherwise obscure the architecture of the building to which it is attached. Signs, lettering, or boxed graphics shall not cut across columns, cornices, windowsills, arches or balconies, nor extend above the roofline (except for parapets and mansards) of any building to which it is attached.*
 - b. *Lettering, size, and content. Letters can be painted or mounted directly on a signboard, storefront, wall or window, if in proportion to the storefront. Lots in the H-1 and H-2 historic districts are allowed the same amount of signage as lots outside of the H-1 and H-2 historic districts. In the H-1 and H-2 historic districts, canopy signs and hanging or suspended signs may be utilized. Provided, however, in no case may the total signage area exceed ten percent of the building face to which the sign is attached. Acceptable lettering materials include wood, stone, synthetic stone, metal, and acrylic. The overall design of all signage shall be compatible with the turn-of-the-century theme of the historic district.*
 - c. *Materials. Signs may be constructed of concrete, brick, wood, stone, metal, glass, or synthetic materials that have the same appearance of the aforementioned natural materials due to their finish. All materials shall be compatible with the building's architecture and should be colorfast and resistant to corrosion. Signs shall be professionally finished in accordance with the material selected, whether by sanding, painting, staining and/or sealing, with the edges of the sign framed out and/or sealed.*
 - d. *Lighting. All signs in the historic district, whether ground signs or wall signs, shall only be illuminated by an external light source, and through craftsmanship and materials, shall reflect the design aesthetics of the historic district.*
 - e. *Colors. The historic preservation commission and the design review commission shall consider the context of the surrounding area when reviewing the color of a proposed sign in the historic districts; however, the colors and logos of nationally and regionally recognized businesses shall not be prohibited.*
 - f. *Awning and canopy signs. Awnings or canopies over doors, entrances, windows or outside service areas are permitted in the H-1 historic district. Professionally applied forms, graphics, symbols, lettering, or other visual presentation may be incorporated into the awning or canopy valance/drop flap but are restricted to 20 percent of the awning field. Size of the signage shall be computed as for a wall sign. Signage pursuant to this subsection shall be included within the overall amount of signage allowed under section 86-489.*

Awnings or canopies shall clear sidewalks by seven feet in height, and project no more than six feet from the building. Canvas or synthetic look-alike canvas are the only materials permitted for awnings and canopies. Metal or vinyl may be approved for awnings or canopies if the overall design is consistent with the H-1 historic district's turn-of-the-century theme. Awnings or canopies may not be backlit. Metal awnings and canopies are preferred. 5.f

- g. Hanging or suspended signs. Hanging, suspended, or projecting signs are permitted and shall clear sidewalks by seven feet in height, and project or drop no more than 36 inches from the building. Hanging or suspended signs should project or drop from a wall or roof at a 90-degree angle. Hanging or suspending signs over driveways, alleys, or parking areas is prohibited. Hanging, suspended, or projecting signs shall be limited to a maximum size of six square feet, and if double sided, shall be calculated as only one sign. One hanging, suspended, or projecting sign per business is permitted, and shall be calculated as part of the total signage area allowed under section 86-489. Attractive hardware for hanging is encouraged.
- h. Window signs. Interior window signs shall not exceed 25 percent of the total window area exposed to public view. Window signs shall not be included within the overall amount of signage allowed under section 86-489.
- i. Special events. Additional signage is permitted in the historic district under section 86-494, provided that all such additional signage conforms to the aesthetic standards of the historic district.
- j. **Ground signs.** *Ground signs may hang or suspend from a horizontal support that is affixed to the ground by vertical post.*
- k. A-frame signs. A-frame or "sandwich" signs are allowed at the rate of one per business or parcel. A-frame signs shall not obstruct pedestrian or vehicular routes.

Fiscal Impact

(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)

CITY OF JONESBORO, GEORGIA COUNCIL Agenda Item Summary

Agenda Item #

5.g

-g

COUNCIL MEETING DATE

March 3, 2021

Requesting Agency (Initiator)

Office of the City Manager

Sponsor(s)

Community Development Director Allen

Requested Action (Identify appropriate Action or Motion, purpose, cost, timeframe, etc.)

Commission to make a recommendation for Thomas Tax Pro – 1423 Stockbridge Road; New wall sign in commercial center

Requirement for Board Action (Cite specific Council policy, statute or code requirement)

City Code Section 86-489 and 86-490 – Sign Standards

Is this Item Goal Related? (If yes, describe how this action meets the specific Board Focus Area or Goal)

Yes

Beautification, Community Planning, Neighborhood and Business Revitalization

Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Agency recommendation – Approval of wall sign panel; Recently, Thomas Tax Pro applied for a wall sign permit in the commercial shopping center at 1423 Stockbridge Road. Currently, there is no sign above the business entrance. The property is zoned C-2 Commercial and is not in any Overlay or Historic District.

The wall sign panel will be 2 feet by 6 feet (12 square feet), which is well below the maximum 150 square feet allowed in Code Section 86-490(b). The wall sign panel will be about 4.4% of the total front building façade, below the 7.5% allowed in Code Section 86-489.

The new sign will be white and black, which will not conflict with adjacent businesses. It is a metal panel that will be mounted onto the recessed portion of the façade above the business entrance intended for signs. It will not be illuminated.

Fiscal Impact

(Include projected cost, approved budget amount and account number, source of funds, and any future funding requirements.)

Private owner

Exhibits Attached (Provide copies of originals, number exhibits consecutively, and label all exhibits in the upper right corner.)
